King Arms

King Arms was founded in 2004, to ensure optimum customer satisfaction by providing them precision products and outstanding services has always been our target.

In 2015, we moved our headquarters to Taiwan, we've continued to provide excellent products of the highest quality. And working with the leading firearms manufactures, we give our patrons an innovation and authenticity which can't be found anywhere else in Airsoft

This is what drives us, our reason to be.
